

## **Local woman wins Bronze for Global Awards, Women Changing the World 2024.**

Anja Karina Mundinger of Tigers & Flamingos GmbH has been named “People’s Choice - Business” Award winner of the 2024 Women Changing the World Awards.

The Women Changing the World Awards presented by Oprah Winfrey’s all-time favourite guest, Dr. Tererai Trent, celebrate and recognize women achieving outstanding success in areas such as sustainability, humanitarian work, leadership, advocacy, tech, product development, education, health and innovation. The awards are designed to recognize the growing number of women who are leading the way in making the world a better place for us all and inspire other women to answer the call to take action.

Dr. Trent explains, “These exceptional women are here to awaken hearts, give permission to recapture dreams and inspire the women of the world to come together to forge a brighter path for all. The rising of women is the awakening of everybody.”

Anja said she was excited to win bronze in her category in the 2024 Women Changing the World Awards.

Anja says: “I am incredibly happy to receive this award as a recognition of my work. Even more, as it was People’s Choice, I would like to dedicate it to everyone who voted for me. Thank you for your trust and support.”

“Being together with all the trailblazers from around the world was such a positive, unique experience and I am happy to be connected with them now.”

Dr. Trent’s vision for these awards is to empower women everywhere to reclaim their sacred dreams and call in women across the globe to unite and pave the way towards a better future for all.

It can be challenging to create change in the world, and Anja gives this advice for others thinking about following their calling to make a difference. “If you have an idea - go for it. And while you are riding the waves of business stay true to yourself.”

Anja is proud of her achievements. In the last 12 months, she has, among other initiatives,

- Empowered - especially her female coachees - to achieve their goals through her work.
- Facilitated and fostered an international network.
- Been referred by her coachees.
- Created and implemented her wide-ranging business ethics approach, a stable CSR (Corporate Social Responsibility) framework for her company, and matched the manifold stakeholder requirements.

She attributes this success to the fact that everyone involved was open to positive change and willing to take on the responsibility of implementing it. Moreover, in all cases, there was a trustful and supportive environment, which thus facilitated positive change.

She is committed to continuing to make an impact through her work and her vision for the future is to empower more women through her coaching to make them sustainably successful.
